Mindy, for tomorrow's meeting, I am sending you these 2 files. I think I provided the attached map to Michelle Jaster earlier in the year and she shared with OSC's. The attached Tribal Response Contact list is something I recently put together and may be helpful for OSCs.

I want the OSCs to understand what are the best opportunities to work with the tribal program and how the outstation staff can best do that.

Thank you,
Mindy Clements, [312-886-6439](tel:312-886-6439) (W) [312-802-2812](tel:312-802-2812) (M) R5 USEPA Superfund Emergency Response

Hi Mindy, let me know if there are specific topics/questions I should be covering. What should I cover mainly for this meeting?
